

# CRAB SHACK

Welcome to the Crab Shack, where our passion is serving the freshest seafood in Rochester. Our seafood is delivered daily from the ports of Boston Harbor. Much of the fresh seafood arrives within less than twelve hours of coming off the boat. Early each morning trucks begin their seven hour journey back to Rochester with shipments to the Crab Shack arriving daily. We ask for your understanding if your favorite catch is sold out, we order just enough for the day in order to keep our stock fresh. Thank you and enjoy!
